News from the Office...

Wow! The first three months of school are behind us. December is a busy month for our staff and students. Report cards have gone home and parent teacher conferences have just been completed. We are looking forward to our Winter Concert on December 13th and we hope you can join us that evening. Once again the students at ÉESS are supporting the less fortunate in the community through the collection of items to contribute to hampers for our community. Our Human Rights Committee (Rachel Shaw, Evelyn Bernd, and Hannah Geerts) along with the Global Issues class take action project (Kiera Kanaski, Tera Kaminski, and Tori Smith) have joined forces to get the hampers together for the holiday season.

Let's finish the 2018 year focusing on our learning in the classroom and also getting the important tasks completed before our break time so that we can enjoy the holiday season.

Wishing an enjoyable holiday break to all of our students and their families.

Mr. Ilchena, Mrs. Blocker & Mr. Liske

School Messenger - Communication System

As you may have noted, we are using a different system for our school's (and division's) automated calls.

At the school level, automated calls are sent out for our senior years attendance calls and we will also proceed with communicating with our families using this system for general and emergency announcements. Some messages will be sent by phone and/or emails.

Divisional calls such as storm closures would also be sent using the School Messenger system.

Early Dismissal

A reminder that students will be dismissed at 2:30 pm on Friday, December 21, 2018.

Student Communication with Parents/Guardians

If a student is ill or hurt and needs to be picked up, it is very important that this information be communicated with our office staff.

Music Department News

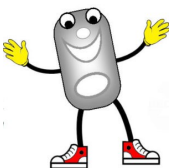

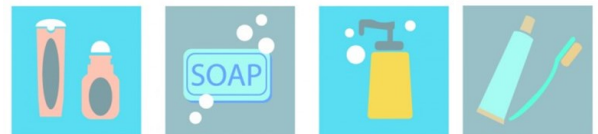

Annual ÉESS Christmas Concert

Mark your calendar! The annual ÉESS Christmas Concert is on Thursday, Dec. 13 at the BRCH. Show starts at 7 pm sharp – all music students need to arrive by 6:20 pm. Senior Orchestra students will be doing a bake sale and a 50/50 draw. All monies go towards hall rentals and refurbishing instruments for students in need. Many thanks for your continued support!

SY Human Rights Group

At the end of November, the group collected personal care products such as shampoo, toothpaste and soap. The products collected were to support the Main Street Project in Winnipeg.

Thank you for all the donations! We also wanted to thank the Beausejour Dental Centre for their donation.

Tab Collection Program—On Going

Tabs will be collected to support the purchase of a wheelchair for a child in need. Containers will be made available around the school to drop off your tabs.

December

Coats for Kids (more info to come)

Please bring in your new or gently used winter items (coats, boots, scarves, mitts, tuques) to support families in need.

Coats for Kids

Thank you for all your support!

Female Fitness Fridays

Female Fitness Fridays is a program open to all students who gender-identify as female, from Grades 6 to 12, along with any female staff member. Female staff and students are welcome to join in any Friday to try out the different exercise available.

We have welcomed guests from Eastman Boxing Club, Sidney & Hannah, to lead us through some boxing moves. We have also enjoyed having Natalie Lopes, from DynamicFitness204, lead us through a High Intensity Interval Training session. In the famous words of Hal Johnson & Joanne McLead, "Keep fit & have fun"!

Together Building Africa

TOGETHER BUILDING AFRICA

On Thursday, November 15, 2018, all of our ÉESS students attended a special presentation given by local residents, Ron and Elaine Fehr. Ron and Elaine help fundraise to help build schools in the Democratic Republic of the Congo (formerly Zaire). Five years ago, ÉESS fundraised to help build the roofs of two classrooms for Les Prophetesses School in Bukavu, DRC, where Ron and Elaine have both volunteered, teaching English in Grade 6 classrooms.

Les Prophetesses School is incredibly special and dear to us as it educates children whose families could not otherwise afford to pay the tuition. Did you know that the average wage for an adult worker in the DRC is only about two dollars? Clearly, families struggle to eat, never mind paying for school tuition (it is a luxury only the small upper class can afford). They still have the photo of our students and staff on display from five years ago. They continue to be thankful to our community for our on-going support.

Another personal connection we have with Les Prophetesses School is our Grade 6 and 7 French Immersion students are currently pen pals with their Grade 6 students, whose first language is French. ÉESS is going to continue to show compassion and continue paying the kindness forward. In the New Year, we will be fundraising to help this same school to build two proper washrooms, as well as proper sanitation stations to help reduce the spread of diseases. The total cost of the project is just over \$ 10 000 USD and I am hopeful that we can challenge our community to raise half of the funds required for this project to move forward. We are going to be asking classes to help fundraise for this worthy cause! To find out more about this school, to see photos, and to discover more about Elaine and Ron's journeys to the DRC, please visit <https://www.togetherbuildingafrica.com/>, which is currently under construction.

Here are some of the reflections our Grade 6 students in Mr. Schnerch's French Immersion class wrote about the "Together Building Africa" presentation.

"Throughout the presentation, I felt empathy for the people that live in Africa!" (Charley)

"One thing I learned is that we should be thankful for being able to go to school." (Miya)

"ÉESS helped build a roof on two classrooms in the past and I'm amazed that they speak 400 languages there!" (Serena)

"I learned that the people are used to squatting to go do their business. That they need to get up at 3 A.M. to get water." (Sierra)

"I learned that most kids don't go to school or get any education at all." (Kélia)

"I learned that instead of playing tug-a-war with a rope, they lock arms and pull each other. I learned that kids have to go to the principal to get toilet paper so that they can use the bathroom." (Nicholas)

"I felt very lucky that I live in Canada. I also felt very lucky that we go to school every day and learn because other places around the world can't afford to go to school." (Alexis)

Physical Education Department

The 35th Annual Barons Earlybird Varsity Boys Basketball Tournament – December 7 & 8, 2018 in the ÉESS Gym. This year's teams are ÉESS, Springfield Collegiate (Oakbank), Churchill High School (Winnipeg), Morden Collegiate, College Beliveau, Landmark Collegiate, Ste. Anne Collegiate and Lord Selkirk (The Comp). Action kicks off at 2:30 on Friday, December 7th with the home team taking on SCI and continues Friday evening and all day Saturday. Spectators are welcome.

The JV Girls Basketball team has entered the Steinbach Christian Tournament that same weekend.

The Sunrise Athletic Conference season is expected to tip off early in December. Games will be posted on the ÉESS web page when they are known.

Congratulations to our JV Girls and Boys Volleyball teams on their strong seasons. The girls team came one win short of advancing to Provincials with a 5 set loss vs. Westgate in a Wildcard game. The boys won the Zone 13 Championships and advanced to Provincials in Brandon.

Makerspace

November was the opening month for our new Makerspace. A makerspace provides our students with the opportunity to share their learning through a variety of different means. Whether building, designing, programming or filming; students are challenged to develop new skills and a deeper understanding. We look forward to the new approaches our students take to their own learning within this exciting new space.

Battery Recycling

École Edward Schreyer now recycles batteries. Please help Mother Earth and bring in your used batteries from home (we also accept cell phones batteries). Please give these to your homeroom teachers and room 6-43 will be collecting them.

We are in the process of redeveloping our Driver Education curriculum and will be launching our new program next year. We're excited about the changes we're making that will better meet the needs of the students and ultimately enhance their road safety skills. More information is coming soon!

Because we are redeveloping the program, there will be no summer courses offered in July as they traditionally have been in the past. Instead, in 2019 a pilot of the new program will be offered and will begin in May. This change will ensure the best possible outcome for all our students.

We will continue to offer our current program to high school students across Manitoba for the winter/spring 2019 term. A list of available courses will be on the [Driver Education Course Finder](#) on or after November 15, 2018. Registration for these courses begins on **November 19, 2018** and will end on March 15, 2019.

If you have any questions, please call 204-985-7199, 1-800-261-9928 or email the [Driver Education department](#).
