Dear Senior High Students and Families,

Due to the Co-vid 19 pandemic our annual student council elections could not be held at their regular time in May. Promoting democracy through student government is a priority at École Edward Schreyer School. It is important to us that students have a voice and the ability to have input into decision making in the school.

Student Council Elections **will occur** when we return to school in the fall. The following executive positions will be available:

- President
- Vice-President
- Treasurer
- Secretary
- Communicator
- Social Programmer
- Communicator
- Artistic Director

If you are a person with strong leadership qualities and want to work toward making our school a great place – you should consider joining Student Council.

If you are interested in learning more about student government but are not quite ready for an executive position - consider joining as a student at large.

The new student council will have the important responsibility of helping to ensure that we welcome back students who have been absent from our building for an extended period of time. We will be working to build a stronger community together!

Looking forward to seeing all the students again soon!

If you have any questions about joining student council in the new school year feel free to contact Ms. Both at bboth@sunrisesd.ca.

Sincerely,

Brett Both
